### ***Financial Aid and Moraine Valley Information Night*** ***Thursday, November 3rd at 6:30 pm***

Dear Delta, Summit, and CEP senior parents and guardians,

***Are you aware that public high school students must complete the Free Application for Federal Student Aid (FAFSA) as a prerequisite to receiving a high school diploma? A waiver provision basically allows a parent, guardian, or the student – if 18 or emancipated – to opt out for any reason.***

Does your student plan on attending college or trade school? If so, the earlier they apply for FAFSA, the better. Current seniors were eligible to start submitting their FAFSA applications on October 1, 2022. Did your student submit their FAFSA application yet? Do you or your student need more information about FAFSA? Do you need assistance with the FAFSA process?

**If you need more information or assistance with FAFSA, please attend the FAFSA Night on November 3rd at Delta/Summit Learning Center at 6:30 pm.**

**In addition to FAFSA information, there will be a Moraine Valley Community College representative available to discuss the application process, programs offered, placement test, campus locations, and cost of attending.** This is a great opportunity for you and your student to meet with the admissions representative to ask any questions that you might have.

If you plan on attending this event, please RSVP by clicking the QR code below and filling out your information.

We look forward to seeing you at the event. If you have any questions before this event, please contact your student's counselor.
